

Channel Islands & Gold Coast
Proudly present a day with:
“Canon Explorer of Light”
Ken Sklute
April 11, 2010

Don't miss this exciting, fun filled day of learning cutting edge techniques to take your photography to the next level. Ken will demonstrate how to find, recognize and create dimensional light that shows depth while on location . He will work with flash strobes, light modifiers and tungsten lighting.

Ken was named the Wedding Photographer of the Year in 2008 by Professional Photographers of California, and has been named Photographer of the Year more than 26 times in his 34 year photographic career. Ken works extensively in wedding photography, portraiture, kaleido and fine art. He has accomplished his Master of Photography and Photographic Craftsman degrees from the Professional Photographers of America, and Accolades of Photographic Mastery, Outstanding Photographic Achievement, Exceptional Photographic Achievement, Highest Photographic Achievement, and Lifetime Photographic Excellence. Ken is honored to be one of Canon's prestigious “Explorers of Light”
